

MEMORANDUM

D/ODP - *am*  
EO -

*8336*

I received a call from the Public Affairs office (Florence, x7676). She received a phone call from Indiana University Computer Center, (412) 357-400, Sunita Kulkarni. Ms. Kulkarni wanted any available information we had on Data Bank I and Data Bank II.

If we inform the Public Affairs people of what we do about this request, they will make a record of it.

Erna
